

Buy one of our 40HP to 100HP, standard proprietary Vacon PC pump VFD packages, between now and December 15, 2015 and have a chance to win a WellMax controller.

- Vacon VFD replacement Warranty is 1.5 years, add the WellMax Data Logger and Optimizer with pump off control and the Vacon VFD warranty becomes 2 years.
- Buy direct from Stellar Tech and save at least 15% to 25% compared to reseller's price.
- We can refurbish any brand of VFD package and repair Vacon VFDs and WellMax units.
- You can add a WellMax to most existing brands of VFD systems. The WellMax is easier to use and less expensive than similar competing pump controllers on the market.
